Calling Women to Freedom, Fullness & Fruitfulness in Christ

March 2025

Ephesians 1:8 – *"He has showered His kindness on us, along with all wisdom and understanding."* (NLT)

As I sit here writing, a gentle rain is falling. It is not a heavy downpour, nor is it rain that comes and goes; it is simply a constant drizzle from the heavens. It feels as if the cup of heaven is overflowing. It reminds me of Ephesians 1:8 in the New Living Translation:

"He has showered His kindness on us, along with all wisdom and understanding."

Isn't that beautiful? Isn't this exactly what we all need at the beginning of a chaotic and uncertain 2025? He grants us His abundant grace, His wisdom, and His insight. Today, I want to remind you that our Father will provide this for us throughout 2025, but we must step out of our shelters, lower our umbrellas, take off our raincoats, and make time to enjoy and make use of these blessings He has promised. We need to put out our "buckets" daily to "catch" wisdom from His Word. We must spend time with Him to receive insight from Him.

Let us live in the "saucer" of heaven so that we can experience the blessings that overflow from above, because:

"He has showered His kindness on us, along with all wisdom and understanding."

March 7, 2025: Revive Our Hearts South Africa - Women's World Day of Prayer

On March 7, 2025, Revive Our Hearts South Africa will once again host our annual Women's World Day of Prayer. This special global event has taken place on the first Friday of March since the 19th century. We look forward to a powerful time of prayer, knowing that we are joining hands with countless other women around the world who will also be praying.

The morning will begin with a message from Jannie de Villiers, Chairman of the Revive Our Hearts South Africa board. This will be followed by an interactive prayer session. We believe this event will encourage you and have a lasting impact on God's Kingdom.

The event will be held in **English** and will take place online. The Zoom link will be available upon request and will also be shared on our WhatsApp group on the day of the event.

Dance and Sing for Jesus

Tannie Christine

One of my fondest childhood memories is dancing around the living room with my brothers—sometimes jumping over the couches and singing along to our favorite kids' worship songs. These moments of worship laid the foundation for my relationship with Jesus, and it's how I fell in love with Him. This is why I started writing

and recording praise and worship songs for kids and started the ministry called "Tannie Christine Ministries". I have just released five brand-new Afrikaans songs, complete with fun dance moves and biblical vocabulary.

Today I want to encourage all mothers and grandmothers to create similar times of worship for your children and grandchildren. Follow the link below to the Tannie Christine YouTube channel where you can watch the videos for free. Let the children come to Him, and nothing will ever separate them from His love.
